Club “Workshop Manual” Library

The BOP Jag Club has acquired (legitimately) a large number of Jaguar Workshop Manuals and they have set up a Cupboard for their storage and care. These Manuals cover XJ6, Xj12, XJS, XK8, S-Type, X-Type. There are also some very detailed Electrical Wiring Manuals covering XJ6 & 12, Xj8, Xk8, XJ (X300 & X350), X-Type, and XF. Sorry – Nothing for E Type, Mk 2 or later models.

If you would, therefore, like some information, then simply email me -Gary- on gbexley@xtra.co.nz the Model and required detail and I will photograph the pages and send them to you. If you would like to borrow the whole manual, then we would need your contact details and your signature as we don't want to loose track of the books. We would then have to come up with a plan of getting it to you.

Also, if you happen to have any Jaguar Manuals, Reference Books, etc. that you no longer require and would consider gifting them to the club, to add to the library, then that would be very much appreciated. I can assure you they will be taken care of and I am sure other Members will obtain a lot of information and/or pleasure from them.

Last Month's Event

*****Mangakino Lake Hop: A Day of Speed and Style*****

The Mangakino Lake Hop proved to be an exhilarating event, drawing car enthusiasts from far and wide. Among the impressive lineup were seven sleek Jaguars, contributing to a day filled with hot rods, classic cars, caravans, and various other captivating displays.

On the lake, hydroplane demonstrations stole the show, with high-speed boats tearing through the water at speeds exceeding 100 miles per hour, thrilling the crowd with their sheer power and agility.

In addition to the automotive displays, the event featured numerous stalls showcasing everything from rare car parts to memorabilia, catering to every enthusiast's passion.

With perfect weather adding to the charm of the weekend, the Mangakino Lake Hop was a thoroughly enjoyable experience for everyone in attendance.
